

Regulations and price table for photographing and filming for economic purposes in the territory of Drawa National Park

1. Photographing and filming for economic purposes is allowed in the territory of Drawa National Park upon the consent of the Park Director.
2. The consent is issued at written request of the interested person.
3. The request should contain the following information:
 1. term of conducting the filming of photographing works,
 2. objects covered by the filming or photographing works,
 3. publication places of the created works.
4. Charges for providing access to DNP for photographing purposes:
 1. photographing for economic purposes from tourist trails – PLN 250/shooting day
 2. photographing for economic purposes outside of tourist trails – PLN 500/shooting day.
5. Director establishes the charge for filming at the level of PLN 1000/shooting day.
6. The filming or photographing works may begin after the applicant obtains the Director's permission to move around DNP. The permission must be presented every time in the field upon request of the Park services.
7. The consent of the Regional Director for Environmental Protection is required for photographing, filming and observing which may frighten away or disturb animals which in the Annex to the Directive of Minister of Environment of 12th October 2011 on animal species conservation (Journal of Laws no. 237, item 1419) are marked with "(1)".

The consent to waive the prohibitions must be presented to the DNP Director together with written request.

*Director
of Drawa National Park*

Annex no. 1 to Directive no. 0100-19/2012 of the DNP Director
